BROCKTON PUBLIC LIBRARY

The class of 1990 would like to dedicate this yearbook to the students who lost their lives in Beijing last fall in their fight for democracy. We would also like to dedicate our book to the changes we have witnessed in Eastern Europe, and most of all, to peace on earth.

-Tara M. Conway

Superintendent

Please accept my congratulations and best wishes on the occasion of your graduation from Brockton High School. Teachers, administrators and the School Committee, recognizing the importance of an excellent education, have provided you with outstanding facilities and instruction which far exceeds most high schools. I sincerely urge you to develop your abilities further in the years ahead so that you will be well prepared to meet and deal with the challenges that life will present.

The Class of 1990 has outstanding potential, and with continued hard work, you will achieve your career goals.

Best wishes for continued success!

Manthala George, Jr.
Superintendent of Schools

1/90

Principal

Mr. Robert F. Reagan

Profile of Principal Reagan

Few administrators have seen Brockton High School endure the changes throughout the years as Principal Robert Reagan has. Having been the Assistant Green Housemaster from 1970 to 1974 and the Principal since July 1974, Mr. Reagan has witnessed changes within the school ranging from enrollment size to diversity of culture. He has experienced changes in curriculum which were "made to better services to students and to reflect the make-up of the school." Through his service of over fifteen years. Principal Reagan has gained a sense of change within the school program.

In the near future, however, Mr. Reagan faces a change within his own professional career. In 1992, Mr. Reagan plans to retire. He will have spent 37 years as an educator. As much as the students and faculty members would like for him to stay, Mr. Reagan feels that his future is not limited to the "green" of the Green Building; the grass is always greener elsewhere. In this case, it's the golf course.

Soung Pak

Housemasters

Mario D. DiMarzo
Housemaster - Red House
Brockton High School

Mr. Mario D. DiMarzo has been housemaster of the Red House at Brockton High School since 1971.

He first began teaching in Abington in 1953 and joined the faculty at Brockton High School in 1958. Since that time he has held a variety of positions among which have been those of assistant housemaster and head football coach.

Mr. DiMarzo views his position as an opportunity to be of service to students and to their parents in providing the kind of environment that is most conducive to learning. The opportunity to meet and interact with so many students and teachers with such a wide range of interests is one of the elements that make Brockton High School exciting.

He feels that as the years pass by graduation will have its own special meaning for each of you, and hopes sincerely that it will include many happy memories of classmates and teachers.

He expresses confidence in your ability to meet the challenges which the future is bound to bring, but cautions that success comes only with diligence and perseverance and a determination to reach the goals that you set.

He commends the Class of 1990 for its many accomplishments and for the cooperative and pleasant attitude that is characteristic of the class.

He especially expresses his wishes for happy, healthy and satisfying lives for each member of the class.

Mr. Chris Argys

As a freshman entering Brockton High School the first person that approached us was Mr. Chris Argys. He delivered a speech to this new class and stressed responsibility, involvement, and academic excellence. A group of fearful freshman were encouraged to achieve their goals and do well in high school. Because of the confidence that he had in us, the azure building continues its tradition of success. With his bright smile and words of endearment the azure building students learned the way of the school and achieved their goals. The class of 1990 sincerely thanks him. He would like to wish us "happiness and continued success."

Leslie Yenish

Mr. Richard Zoino

In his first full year as Housemaster of the Green Building, Richard Zoino has demonstrated a sincere devotion to the students of Brockton High School. Before his current position, Mr. Zoino had worked in various assignments at our school with over twenty-three years of experience. This experience enabled him to project an image of authority, combined with a sincere and comfortable approach in dealing with students. He is not only an administrator, but a true role model and friend. The class of 1990 would like to thank him for all he has done and wish him many more years of success.

Mr. Zoino stated to me that he has always demanded much from the students at Brockton High because, in his words, "They have so much to give." Best wishes to the class of 1990.

Leslie Yenish

Dr. Claire Appling

Dr. Appling is one of the only women in her field of education. Starting back as early as 1954, she has entered her thirtieth year in the school system. she began as a teacher of grades seven through nine at West Junior High. She taught a variety of subjects such as English, Geography, Math, Science, Health, And Guidance.

Dr. Appling received her Master's And Bachelor's degree at Bridgewater State and continued her graduate work to receive a P.H.D at Boston College. She then moved on in her career by becoming the housemaster of the yellow building in 1969.

To this day she receives satisfaction in "Directing students to attain or find their potential and to try to work with them in directing them to their goals."

Lisa Waible

PUBLIC LIBRARY BROCKTON, MASS.

Assistant Housemasters

Mr. Kenneth Cardone

Kenneth Cardone is finishing his thirteenth year as Assistant Housemaster of the Red building. As well as dealing with discipline and attendance of the Red house, Mr. Cardone is a friend to many students. He strives to help new students adjusting to B.H.S. and any other problems they may encounter during their years at Brockton High School. Mr. Cardone wishes the class of 1990 the best of luck in the future.

-Tara M. Conway

Mr. Puliafico has been a part of the Brockton High School System for 35 years. For the past 19 years he has been assistant housemaster of the azure building. Mr. Puliafico used to teach mechanical drawing and Math and coached baseball before he became assistant housemaster.

Mr. Puliafico notes that he is aware of the physical aspects of Brockton High School like the extra-curricular activities, drama, sports, and bands. His job mostly deals with the negative aspects.

In closing, Mr. Puliafico feels that the class of 1990 has been a cooperative class. He comments that, "self discipline is a part of our everyday lives and that we should continue to do well and strive to succeed in the future."

Lisa Waible

Mr. Charles Puliafico

Mr. Raymond Bussolari

Mr. Bussolari, known as "Mr. B" has been an assistant housemaster of the yellow building for 21 years. Before taking the position of assistant housemaster he was the head of the Physical Education Department and a health teacher. Mr. B says that he enjoys working with the students and that his job offers many rewards. One of the rewards is watching a student turn themselves around after he has helped them with their discipline problems. Mr. Bussolari feels that the class of 1990 will continue to do the best they can in life and wishes them success in the future.

Lisa Waible

This has been Mr. Marrow's twenty ninth year working with the school system. Mr. Marrow has been involved with coaching student athletics at South Junior High School before he accepted the position as assistant housemaster of the green building. He enjoys working with the students of Brockton High School and is proud to be associated with the school. He advises the class of 1990 to reach high for their goals.

Lisa Waible

Mr. Eugene Marrow

ORGANIZATIONS

Senior Class Executive Committee

Being the yearbook representative for the Sr. Class Exec. Comm., I will start by giving the years in review.

First, let us remember the evening that we spent at Whites during the Junior Prom. Thanks to all those memorable and successful fundraisers.

Second, we will always remember that magical night spent at the Venus Demilo at the Senior Prom. This was made possible by a strong senior class body and exceptional leadership values within the executive committee and its officers.

Finally, look at the names and faces of the committee for you will be hearing from us again. (say in 5 and 10 years).

We in the committee deeply express our appreciation to you, our fellow students, and our peers, for your support in the class of 90's every event and adventure. Good Luck!

Philip R. Rand Jr.

Junior Class Officers And Executive Committee

This year, the junior class officers and Executive Committee have been participating in numerous fundraisers. Since September, they have sold Entertainment Books and key chains. Also, the yearly Valentine's Day list was offered to all students. The major goal of the junior class this year is to make enough money to organize a terrific prom to be in April.

The officers this year are Cherie Beal, president, Beth Hall, vice-president, Dawn Doherty, secretary, Uyen Le, treasurer.

The members of the Executive Committee are: Ana Alonso, Tammy Bernabei, Manisha Bhatt, Keith Burney, Heather Burns, Heidi Cohen, Jen Cummings, Beth Horigan, Angie Howard, Min Jeong Joo, Kelly Karaliolios, Christine Martinez, Erin Payton, Andrea Sergio, Tara Stadelmann, and Laurie St. Peter.

Beth Hall

Sophomore Class Officers And Executive Committee

The sophomore class of Brockton High is having one of its most successful years ever with its various fundraisers such as flowers sales, a bowl-a-thon, and raffles. They have concentrated their efforts to raise the most money that they could to benefit the class. This year's class officers are: Kim Erikson, vice-president, Stacey Aleckna, treasurer, and Marialena Bernard, Secretary.

Through hard work they are building a class strong in pride and leadership. They would like to thank the class and wish them good luck in the future.

Mary Kelleher
Class President

Freshman Class

The Freshman Class Officers and Executive Committee have done their best to make this year a successful one. They had a fund raiser of Valentines Day and many others throughout the school year to greatly expand their treasury for the future years at B.H.S.

Tina A. Calisto

National Honor Society

Terry Thestlau, Candi Shoemaker, Kara Rhysman, Denis Childs, Wendy Burrill, Rosemary Adams, Chris Maloney, Susan Jay, Gail Reed, Beth Steinberg, Jaanne Dalar, Jill Craig, Tracy Cusick, David Lundberg, Armandina Pinta, Saung Pak, Kristen Wisgirda, Karin Lawsan, Hally Barstaw, Kimberly Anderson, Kristen Ivers, Michelle Quinn, Tracy Quinn, Tina Maria Cassani, Pamela Alkins, Carrie DiRamia, Kelley Jayce, Molly Franklin, Peter Giannakoulis, Adam Weene, James Deagle, Jennifer Gay, Kristen Obenski, Adam Lewis, Rachel Ardamis, Marci Crawford, Josh Chadaja, Julie DeTemple, Belisa Manteiro, Katherine Caats, Danna Barry, Edward Eanas, Stephen McLean, Debbie Gisandi, Priscilla Bonanno, Mike Budreski, Paul Branagan, Leslie Yenush, Ranke Akinbuluma, Jim Butler, Matt Eng, Nancy Reid, Nhi Luang, Amy Canefrey, Scatt Hapkins, Julie Smalley, Lauren Hoaps, Christine Crawfard, Marcella Labatan, Karen Bernascani, Jim Brown, Jennifer Spadea, Erin McFadden, Richard Brawn, Lisa Brandola, Anthany Stuart, Karen Leanard, Nhau Chau, Lisa Siekes, Mike Rodrigue

Candi Shoemaker, president, Jennifer Gay, vice-president, Julie DeTemple, secretary, Susan MacDanald, treasurer

The National Honor Society is a select group of upperclassmen who have excelled both in and out of the classroom. A ceremony for the selected students was held in May of their junior year. A pin and certificate were given, and they were followed by a dinner.

This year's NHS has helped the student body through peer counseling and tutoring. Through the National Honor Society one learns of integrity, honesty, and loyalty. One can sum up the idea of NHS with the phrase "Carpe Diem." For truly, National Honor Society members do seize the day.

Susan McDonald
Treasurer

Senate

The student Senate kicked off the 1989-1990 school year with the first pep rally for football in three years. From that time on, the Student Senate met monthly with Superintendent Manthala George to discuss student interests. Under the leadership of four officers, the Senate accomplished every one of their early goals. Early fundraising gave the Senate the flexibility to fund certain activities throughout the year. In November and April the Senate sponsored the yearly American Red Cross Blood Drives. The Senate wants to thank the students and faculty who donated blood this year.

The student Senate, which is broken down into different committees, includes the lunch committee and the dance committee. The lunch committee is the oldest and the favorite. The committee would discuss reasonable ideas from the student body. The dance committee helps with the dances and proms.

The student Senate's overall objectives are to protect the student body and inform them of their rights. Also, the Senate helps to promote school spirit among students.

Joe Salemi

Officers

Adam Weene, Joe Salemi, Anthony Stuart, Brenda Sasso

Student Advisory Council

Regional

State Student Advisory Council

Each state Student Advisory Council member attends a monthly meeting at which he/she represents the concerns of his/her student body with other students representing their school's educational concerns and needs. The SAC provides students with the opportunity to become involved with leadership and decision-making of many types. Typical SAC projects, proposals, and activities of the past year include: writing, filing, and lobbying for legislation which directly relates to students; drafting of recommendations for curriculum innovation; initiating local school projects for improvement of student involvement; and participating in department sponsored on-site visits of other schools.

1989-1990 members include: Maria Papadopoulos, Jennifer Spadea, Angela Howard

Maria Papadopoulos

Local

Local Student Advisory Council

The local Student Advisory Council represents the students of Brockton High School to the School Committee. The purpose of this organization is to provide a meaningful link and promote a mutual sense of respect and understanding between the student body and the school committee. Our job is to represent before the school committee the attitudes, interests, and concerns, both positive and negative, of the student body. This year the Student Advisory Council and the Senate met with Superintendent George on a monthly basis to discuss school issues of importance. SAC members must attend all School Committee meetings.

1989-1990 members include: Maria Papadopoulos, David Lundberg, Jennifer Spadea, and Paula Mitoulis.

Drama

Under the combined dedicated guidance of Drama Club director Ms. Carol Thomas and wardrobe director Mrs. Elaine Kelly the Drama Club was as superb as usual. The Drama Club involves students in all areas of backstage productions as well as acting and directing. The BHS award-winning Drama Club enjoyed a diverse, successful, and brilliant year.

The season opened with its traditional December production. This year Moliére's "The Miser" was performed for four outstanding nights. In February the underclassmen had their chance to shine by acting in the night of one acts. These plays were "Baby," "When Shakespeare Ladies Met," and "This Is A Test." These were directed by senior members of the club. Brockton's entry in the Massachusetts High School Drama Guild Competition was "Love By The Bolt." The senior cast put their all into the play not only by acting but by set work and directing.

The 1989-90 Drama Club saw stars this year, and we all hope that the sky is bright for the years to come.

Tina Calisto

Permanent Press

Under the dedicated and hard-driving direction of advisor Olga Falcon, the Permanent Press continued a tradition of excellence this year. A potential teacher's strike, the Boxers Superbowl loss, and the spread of democracy in the East were among BHS's top stories. Editorials, investigations, and humor were three common techniques used by the staff. The writers toned their skill, photographers focused on their work, the art department added a touch of class, and the layout staff straightened out their act. The entire staff of the Permanent Press wish the class of 1990 the best of luck and to the future staff of the paper--may the pen always be mightier than the sword.

Tracy Quinn
Co-Editor-in-Chief

Literary Review

The Literary Review is an organization which presents the opportunity for students to express their feelings and emotions through writing. The Literary Review's main purpose is to showcase these student writings. Young writers are encouraged to submit their student writings. These are evaluated for possible inclusion into the annual magazine. The staff this year includes: Faith Nordeen, editor, Alfred Sperealozzi, co-editor, Laurie McNamara, historian, and Tammy Benabei, secretary.

Faith Nordeen

Key Club

Robert Frost, a great New England Poet once wrote, "Two roads diverged in a yellow wood and I took the one less traveled by and that has make all the difference." Members of the Brockton High School Key Club make that difference when they take the time to care about others in the school and community. Key Clubbers volunteer their time to help organizations such as the Muscular Dystrophy Association, American Heart Association, Por Cristo, and our District Project the Kiwanias Pediatric Trauma Institute. Members also help around the school at events such as Freshman Orientation, Parent Teachers Conferences and school sports events. Our time and dedication has earned us the first place in the New England District of Key Clubs. We attend local and national conventions. Through our service, Key Clubbers continue to carry out our motto of "Caring ... Our Way of Live."

Maureen Quirk
President

Officers

S.A.D.D.

S.A.D.D. is a national organization which works to prevent drunk driving. S.A.D.D. stands for students against drunk driving which is what these students are. This year the members worked to instill this idea into the minds of the students of BHS. The club also reminds students not to take rides from those who have been drinking.

Thanks to the members of S.A.D.D. who, with the help of other health organizations, a new motto was established for Brockton. "Brockton is the best, let the best be drug-free. Words to live by for all Brockton students.

Tracy Quinn

Russia '89

In the spring of 1989 a group of 40 students and adults embarked on an adventure that created memories to last a lifetime. This adventure took them to the Soviet Union. On this ten day trip nine seniors from BHS, fifteen all together, voyaged to such places as Lenin's Tomb, St. Basil's Cathedral, and the center of Soviet politics-the Kremlin.

The seniors who attended this trip were Carrie Walker, Kara Rysman, Priscilla Bonanno, Donna Barry, Nicole LeGault, Heidi Young, Eric Droukas, Russ Eonas, and Paul Branagan. They all had some adjustments to make. Some examples were toilet paper as rough as sandpaper and survival on crackers and peanut butter. We realized that life in Russia was very different.

Although we traded practically everything we had brought with us, and we were ready for some good, old American food, we all agreed on one thing. The friendships that we made with each other and those we made with the Soviet friends would last a lifetime, and the ten day excursion was the best experience of our lives.

Carrie Walker

Chess Club

Chess Team

Their idea of kings and queens are different from ours. The word "pawn" does not mean to trade something in for a little bit of cash to these people. They play a different kind of board game than Monopoly.

Obviously, I am referring to the Chess Team. This small group of students enjoy, you guessed it, playing chess. Chess is a difficult game which involves challenging play and strategies in order to win. These students can be seen on almost any day agonizing over their next moves in the green cafeteria . . .

Tracy Quinn

TV/Radio Club

T.V. Radio Club and News Show

The B.H.S. T.V. Radio Club and News Show provided us with entertaining programs after elections and in dull studies. B.H.S. News beat out CNN for best news program here due to the hilarious news antics of the amateur crew. Their lively (and sometimes ad libbed) show put an emphasis on students and the subjects that directly related to us. Everyone would wish to thank Mr. Buba for his time and help. Seniors include President Mike Hurley, Maria Papadopolus, Phil Rand, Heidi Young, Octavia Webb, and Joe Salemi.

Michelle Quinn

Math Team

They worship Euclid. They have the Pythagorean theorem tattooed on their biceps. They reminisce about the glorious days of geometry---back in third grade. Is this what the Math Team is all about? Not quite.

Perhaps constituting the school club with the highest math SAT scores, the Math Team consists of lucid individuals who understand and appreciate the complexity of mathematics.

Led by penta-captains Josh Chadajo, Adam Lewis, Dave Lungberg, Chris Mahoney, and Scott Rumerill, and the members of the Math team put their minds to toil, solving seemingly formidable problems and conquering fearsome equations. Their victories always elate advisor Mr. Pedicini, even though he refuses to ride on the bus with the team.

Belisa Monteiro

Close-Up '88

Lets' go back in time to sophomore year where for one week in March "soda" became "pop" and suddenly Iowa and Minnesota were are favorite states. The days in Washington D.C. were filled with excitement and laughs. Thanks to the help of Mr. Uto and Mr. Walsh, the travelers were allowed to experience government up "close" and had the chance to meet Massachusetts congressman Brian Donnely. The workshops, seminars, and bus tours filled the days. The Close-up nights had parties in the hallways, Dominos runs, and fire alarms.

The 1988 Presidential election influenced close-up in a great way. The travelers held their own election with campaign headquarters, newspapers, debates, and candidates.

Time was spent fighting over who had the best bus, running for the Metro, and the Capital Hill day wondering if anyone stayed in Capital Hill. Between close-up sardines and wishing that the week would never end, they learned how not to lose "that loving feeling."

Tina Calisto

French Club

This picture may seem familiar to some people. Why? Because this was the same one used in last year's yearbook. And why is there no activities to report for this year? Because there wasn't any.

This year the club did not have an advisor. According to school policy, all clubs must have an advisor. It is unfortunate to all the former members that the club is now defunct.

I hope that in the years to come, BHS has a remarkable increase in school spirit. When the teachers and students lack school pride the academics are sure to suffer as well.

Tracy Quinn

Spanish Club

As members of the Spanish Club, these students learn the different aspect of the Spanish culture and language. The best part is the fun they have doing it. Their activities consist of fiestas, field trips to Spanish restaurants, listening to Spanish music, and watching Spanish movies. This year was exciting for the Spanish Club, but the best is yet to come.

Tina A. Calisto

Italian Club

The seniors who have been in the Italian Club from the beginning have been members for three years. As Sophomores, the members helped the advisor, Miss Iolli, get the club on its feet. During the years the members have enjoyed various trips and parties. Through these events they have seen the club grow. They have participated in many school activities and "zots" of fundraisers. Grazie to the members and a special Grazie to Miss Iolli.

Tina Calisto
President

Switzerland/Italy '89

During April vacation of 1989 a handful of juniors had the chance to visit foreign lands. Switzerland and Italy were the destinations. A week full of fun was on the agenda for the trip. With the help of the tour guide, Jane, and advisor, Miss Iolli, they became experts on the monuments, customs, and the discos. No matter what the weather was it could never "rain" or snow on the parade of excitement. Some things that will never be forgotten are the "friendly" natives, the gondola ride, and catching extra winks of sleep whenever they could. Many "remember when's" still come to mind, and the memories are forever.

Tina Calisto

D.E.C.A.

D.E.C.A. is the only national organizing operating through the nation's schools to attract young people to careers in marketing and management. Its purposes are: (1) to develop a respect for education which will contribute to occupational competence, and (2) to promote understanding and appreciation for the responsibilities of citizenship in our free, competitive enterprise system. These goals are achieved through a combination of classroom, school store, conference, and cooperative work experience.

Mr. Gerald Faherty

Ski Club

The B.H.S. ski club traveled to Mt. Wachusett in Princeton, Ma. six times this year and also sponsored their annual ski trip to Quebec, Canada. Every Tuesday, skiers were able to improve their skiing skills as well as enjoy time spent on the slopes with friends. With advisors Mr. Lanzetta and Mr. Yafrate, the club members had a fun, successful and safe skiing season.

-Tara M. Conway

Next Move

Amnesty International is an organization dedicated to upholding human rights and Brockton High's Next Move/Amnesty International Chapter is proud to be part of this organization.

This year has been an exciting one for us. We have accomplished two major projects "The Walk for Peace and The Wall of Human Rights. Thanks to dedicated Amnesty members and enthusiastic school support, we were able to extend the wall through the lobby of the Fine Arts Building and put sections in each of the cafeterias. The Wall is so awesome that it will be displayed at Amnesty International's National Convention in Boston.

Along with these two endeavors, Next Move members have continued educating students about human rights and human rights abuse by teaching classes. Also, they have sent out hundreds of letters as a result.

Special thanks to our "advisor" Ms. Lagadec and to all the hard-working, motivated Next Move members.

Kim Anderson

Quebec '88

For five days during April vacation '88 the French Club and its advisors climbed aboard the Magical Mystery Tour Bus for Quebec, Canada. They knew little about the country before they left their tiny world of Brockton High School. (Canadians speak French as well as English?) Suddenly they were in a country that seemed ultra-European whereas before they believed that Canada was much like America. Their misconceptions were cleared up, and they adjusted (somewhat) to the French-Canadian culture. They learned to love their tour guide Jerry, adapt to blackouts, and utilize all three floors of MacDonalds. Needless to say, the experience of a lifetime was had by all as new friendships were formed and old ones were reinforced.

Kelley Joyce

Diploma Coordinators

Every year a handful of students gather to perform an essential task for the graduating seniors. These students packet the diplomas and organize the graduation ceremony. A special thanks to those select few who make graduation possible.

Tracy Quinn

Afro-American Club

The Afro-American Club allows any student at Brockton High to join in its activities. But how many people know what the group does? The Club has many "delicious" fundraisers, attends local colleges, and puts on an annual talent and fashion show. This group has gained in members as well as popularity. Its aspiring morning announcements brought a new awareness to Black History month in February. All members wish to thank their advisor, Mrs. Yuille, for her friendship and help.

Michelle Quinn

Pride Is Alive

In an age when school spirit is top priority, the BHS student body has been accused of the extreme form of high school apathy, failing to support its athletic teams. But it is not all of us who amble about the halls wondering, "Who are the Boxers? We have a football team?"

The Pride Is Alive group operates with the intent of combating the plague of apathy and attempting to excite patriotism for athletic events. They manifest their noble cause by arranging pep rallies, decorating the stadium with crepe paper and balloons, and plastering the school walls with posters advocating victory.

Belisa Montiero

Harmonics

Harmonics is a specialized choral group under the direction of Penny Knight. Made up of about 25 people the group experiments with pop, jazz, gospel, and even acapella music, all in four part harmony. They also choreograph their music on their own and take their act to various show choir festivals and competitions around the state. This year's seniors include Rick Heusten, Frank Ryback, Dawn Heath, Heather Steeves, Julie Galpin, Jenks Brutus, and Laura Mussari.

Dawn Heath

Concert Choir

Brockton High Concert Choir is a group of gifted students who perform their talents throughout the school year. This year approximately 125 members participated in the Macy's parade with "America Sings" to raise money for the homeless. In addition, they have been involved with a holiday concert in December, a Cabaret in January, and a Pop's concert in May. Seniors from the group are also selected to sing at the graduation ceremony in June.

Julie Galpin

Marching Band

The Brockton High School Marching Band has always had the power of using their talent to bring the true football spirit to Maricano Stadium. Under the direction of Mr. Vincent Macrina, the Marching Band captivated the stands with an impressive half-time show. With hard work and dedication, each section of the band had the opportunity to dazzle the audience. From the synchronized beat of the drums to the powerful brass solos, the Marching Band kept the winning spirit of Brockton High School alive.

Jazz Band

Under the experienced and devoted hand of Mr. Vincent Macrina the Jazz Band has had a rewarding 1989-1990 season. Like past years, the Jazz Ensemble performs at most of the junior highs and elementary schools in the city, as well as other clubs and athletic events. This extremely talented group of musicians ranks up with the best jazz bands in the world. Many people do not appreciate jazz music, but these members recognize this type of music as what it truly is---an art form. The Brockton High School. Jazz Ensemble has been a driving force in the history of the school's successful music career. All of the Band members wish luck to the seniors in their pursuit of music excellence.

Michelle Quinn

Majorettes

B.H.S. Majorettes

The Brockton High School Majorettes were very busy during the past football season. From "Hey Baby" and "Rockin' Robin" to "Hooray for Hollywood" and "That's Entertainment" the Majorettes kept twirling and added a certain flare to the spectacular half time show.

However the majorettes were not just performers, but also dedicated fans who always cheered for their team. The three captains leading this talented group of girls are Rose Adams, Kristen Ivers, and Allison MacDonald. Good Luck Girls, Keep on Smiling!

Allison MacDonald

Color Guard

Color Guard

With all the controversy about the constitutionality of flag burning, you certainly won't catch the Color Guards throwing flags into the bonfire. The Color Guards have pride in their flags and school. In the fall, they donate their precious Saturday afternoons to the Half-Time Show where they march in their slightly stiff black and red outfits. Nevertheless, the Color Guard always puts on an eye-catching show, epitomizing synchronization and form.

The leaders of this group are Kristen Shearing and Melissa Quell. Kristen demonstrates her versatility as she is also a flamingo fanatic and accomplished artist. Melissa is known for her interest in the dance field. Together, they keep the Color Guard loyal to their treasured flags.

Belisa Monteiro

Half-Time Dancers

The Brockton High School Half-Time Dancers always had a smile on their faces as they kicked their way through each of the spectacular half-time shows. They are always a delight to watch as they gracefully strut across the field to numerous show tunes. They always seem to add a beautiful touch to each show whether it is their high kicks and pointed toes or their dazzling style. The Half-Time Show is something you never want to miss.

Allison MacDonald

Cheerleaders

1989-1990 Varsity Cheerleaders

To deem the cheerleaders dumb, snobby, or any other stereotypical notion would be a grave injustice. The squad did not consist of typical airheads who spent their adolescent days totaling the number of proms attended. Nope, not this year. The slightly silly cheerleader norms were tucked away in the attic and the cheerleaders adhered to their principal duty: supporting the team and getting the crowd to respond.

Captains Karin Lawson and Sue Joy played the drill sergeants as they held proper practices, instilled decorum, and help the juniors make that dramatic transition from J.V. to Varsity less strenuous. They received unbounded cooperation from other caring senior members who felt it was their duty to keep the squad's sensible perspective intact. This squad truly deserves the highest form of merit and a spot in the Cheerleader Hall of Fame.

Belisa Monteiro

Health Awareness Club

HAC is a growing club that was organized by the great Mrs. Kirrane. Although small, HAC has accomplished more goals than some of the "Big Timers" like SADD and Peers Helping Peers. In the first two years, HAC has raised money for Mainspring of Brockton, joined in a Boston drug rally, and competed in two fundraisers called "Jump for Heart" to benefit the American Heart Association. HAC has spent a healthy day at the YMCA in Brockton and spoke to Freshman classes about the Great American Smoke-out. Co-founded by Tracy and Michelle Quinn, HAC also includes seniors Lynn Fruth and Kim Anderson.

Michelle Quinn

Peers Helping Peers

The Peers Helping Peers began two years ago. This group is founded on the principle that teens can have a powerful, positive influence on one another. The PHP classes have two major goals: (1) To furnish the information and training necessary for the members of the group to effectively help others with a variety of teen issues; and (2) To provide the time to organize and implement the projects of the group. Some of the work being done by PHP includes one-to-one discussions with students, educational presentations to junior high schools and elementary classes, orientation of new students to Brockton High School, and involvement in community issues relevant to teens.

Due to the fact of a high increase in prices our 1990 yearbook was regretfully unable to be published in color. For many reasons the cost of the book was set at forty-five dollars. A costly fee we admit. Along with many other complications, it became known to us in early February that publication of a color yearbook would be impossible. We feel that regardless of the lack of color, this is still a book of colorful memories that shall never fade.

Football

The Brockton Boxers had an outstanding season this year as they opened with tough wins over Sachem High and Dematha Catholic. The Boxers also avenged last years loss to Leominster en route to a perfect season.

With the effort and determination of captains Peter Giannakoulis, David Grein, Anthony Lewis, Steven Marciano and Bobby Zurinskas, the Boxers were able to pave the way to the Division One Super Bowl. Along with seniors John Bailey, Mike Bertarelli, Jim Butler, Brian Kilsby, and Eric Droukas on defense and juniors Adam Williams and Chris Campbell on offense, the Boxers will be competing for their third straight Super Bowl Championship.

With the dedication of Coach Armond Columbo, along with Bill Devin, Tony Gonsalves, Mike Hancock, Dave Fouracre, Gene Marrow, Trainer Jim Mackey and Equipment Manager Robert Lanzetta and the support of the Brockton fans, the Boxers will continue to be a dominating force in High School Football.

Golf

The 1989 Brockton High Golf team had an exceptional season this year, placing second in the Suburban League. The team was led by seniors Mike Sturdavant, John Dragonetti, Scott Greenberg and Tom Johnson. Coach O'Connel was pleased with the team this year and is confident in winning the Suburban League title next year.

Brian P. Waldron

Hockey

The Brockton High Hockey Team missed out on being Suburban League Champions for two consecutive seasons.

This year the team's first goal is to win the Suburban League, followed by a tourney bid, and then a chance to play in the Boston Garden.

There are eleven returning seniors this year, which should make the team very strong. The high powered offense will have seniors Kevin Cicchese, Kevin Eaton, Marc Duhamel, Mike Olesch, Dan Henrigan, Bill Santos, Erik Peterson and juniors Marty Luttrell and Dan Genatassio. Returning on defense will be seniors Mike Sturdevant, Rich Curran, Shane Cantone, Paul Whitman and junior Roger Heerman. Backing up the defense will be senior goalie Russ Eonas, and junior Ken Shwabe.

Coach Bob D'Arcy is looking forward to a great and successful season.

Erik Peterson
Julie Cataldo

Women's Cross Country

Womens' Cross Country Team

This year the Women's cross Country Team had some very strong veterans returning such as, Nicole Rodrigue and Nancy Reid, other seniors included Erin Palm.

The team worked extremely hard under coach Mr. O'Donnell and the team looks very promising in the future.

Lisa Shaevitz

Mens' Cross Country

Mens' Cross Country Team

The Mens' Cross Country Team had a very successful year, It was a tough season with even tougher competition. However, the team finished a strong second in the Suburban League.

The team was led by captain Joe LeMar. Other Seniors Included Paul Dirosario, and Adam Wells.

Brian Waldron

Womens' Soccer

Womens' Soccer

This year's Womens' Soccer team had one of their best seasons ever. They finished the season with a record of fifteen wins, two losses and two ties. This year's team had nine starting seniors. Leading the way was Co-Captain Julie Smalley with a record breaking season high of thirty-two goals. The team was also led by Co-Captain Heather Sullivan. Candi Shoemaker was a great asset to the team also. Other seniors pacing the team to success were Dawn Heath and Ronke Akimbulumo on offensive and Gail Reed with Lorry Mussari by her side at the midfield. At the defensive end were Julie Smalley and Leslie Yenush. Others paving the way were sophomores Lara Sullivan, Kim Cummings and goalie Moya Gibson, who had her best season ever. Congratulations Girls.

Leslie Yenush

MENS' SOCCER

The Mens' Soccer team had another impressive season under Coach Bill Poliseno, finishing with a record of twelve wins, one loss and five ties. Despite only falling once in defeat, the team finished second in the Suburban League. Senior Co-Captains Julio Pinto and Matt Eng headed the Boxer team which was composed of many experienced seniors and numerous talented juniors. Pinto led the potent Boxer attack along with seniors Phil Mussari, Dave Capone, John DeRosa and David Ianello, while Eng led the strong Boxer defense along with seniors Eric Marchand, Dick Moran, and Joe Hayes, who kept opposing forwards away from senior goalkeeper Gerg Tracey. Despite having such a well-rounded team, the Boxers fell victim to an aggressive New Bedford team in the State Tournament's first round. Although graduating eleven seniors, the team should have continued success next season. They will be led by returning varsity players Ken Schwabe, Victor Andrade, Tony Cubera and Jose Anzacoth, who should help boost the team to another winning season. Good luck.

Greg Tracey

Womens' Basketball

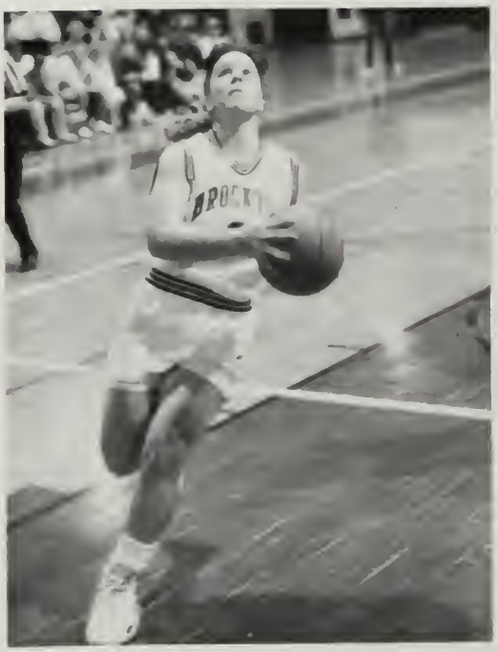

The womens' basketball team has had an excellent season so far this year. Led by Captain Julie Smalley along with seniors Carrie DiRamio, Jen Gay, Kim Noumi, Karen Bernasconi and Dyan Perewicz, the Lady Boxers have worked their way to an undefeated record in the Suburban League.

Coached by Ed Gifford and Bill Poliseno, the number one ranked high school team in Massachusetts has dominated the league, earning a record of fourteen wins and no losses. Backed up by a talented group of juniors, including Michelle Doonan, who leads the league in scoring, Kim Buschenfeldt, Karen Dick, Ann Luizzi and sophomores Angela Crowder, Jen Riordan, Kim Cummings and Kristen O'Connell, the girls have already qualified for State Championship play and are confident they have the ability to come away State Champions.

With such promise for this year and the future, the girls should have continued success in the years to come.

Mike Budreski

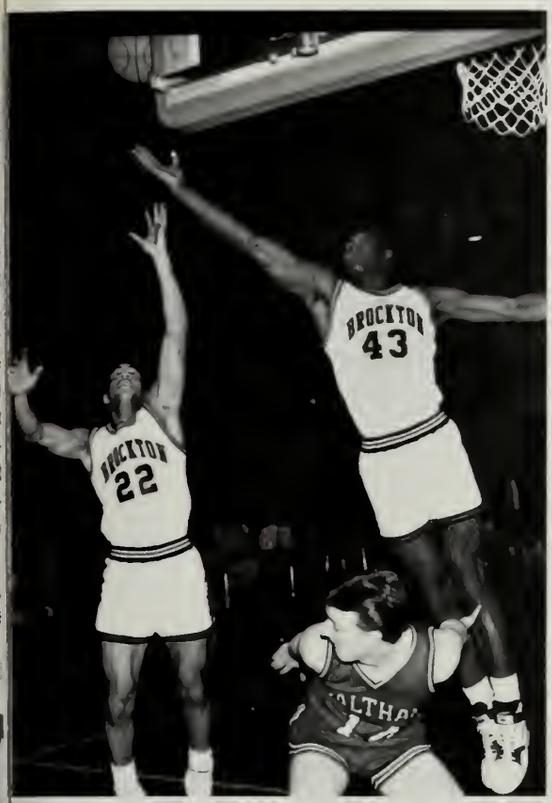

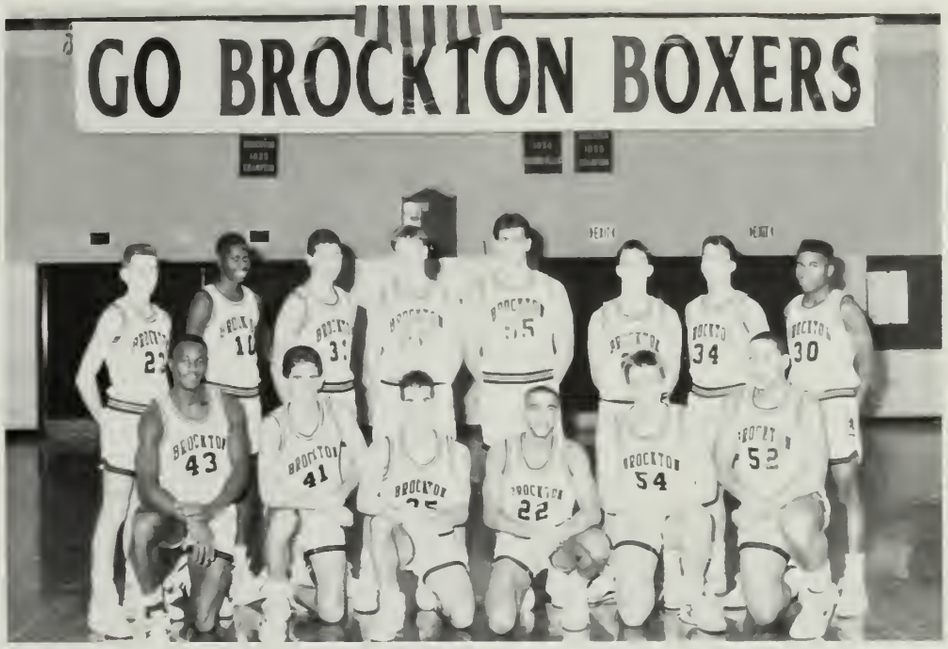

Mens' Basketball

n the 1988-89 season, the Mens' basketball eam finished with a record of 20 and 3. This outstanding record proved that the team was very successful. An important part of the season was being a finalist in the South Sectional Tournament. This year's team should be very explosive. Leading the way will be Tri-Captain Curtis Bostic. In his junior year he achieved many goals such as All-Scholastic and Suburban League All-star. Behind the superb talents of Curtis will be the other two Captains Andre Garner and Lou Gardner. The versatility of hese two great players is unbelievable. Other important players expected to rise as stars are eniors Steve McLean, Paul Whitfield and Stephen Melnick. Outstanding sophomores are aul Brewer and Mark Pileski. An important asset to the team will be junior starter Anthony vans. Under the coaching of Victor Ortiz and ob Boen, the team should be unstoppable.

Leslie Yenush

Womens' Swimming

Girls Swimming

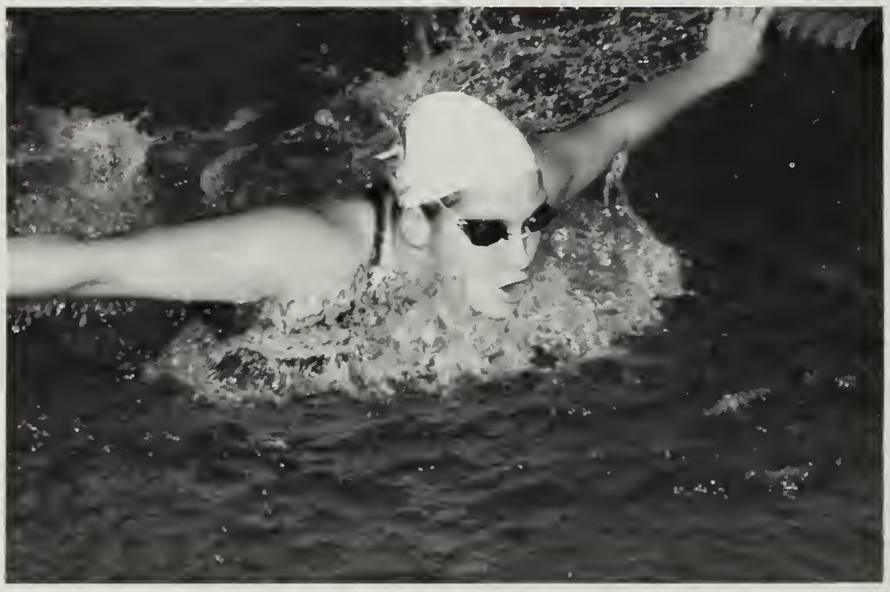

The girls swim team, coached by Brendan O'Neil, finally had their own pool back. After traveling around for three years, they pulled together an excellent team for the 1989 season.

Captains Karen Leonard and Tricia Solakoff had some outstanding swims that led the lady boxers to many of their victories.

Juniors Eileen Sullivan and Kristen Walsh helped get winning points in their speciality events. Both swimmers had an exceptional season.

With fantastic improvement shown by all the underclassmen, the girls are guaranteed to have another outstanding season.

Tricia Solakoff

Mens Swimming And Diving

Mens' Swimming and Diving

The Brockton High School Boys Swimming and Diving team is coming off another Championship season. Coach Mark O'Reilly is hoping his team can conquer the Suburban League for the third straight season, and avenge their only loss last year by beating Boston College High. This year, senior co-captains Artie McLaren and Tim Brockmeier will lead the team in their endeavor with their swimming talents, while seniors Mike Levie and Brian Cameron try to help sink the competition with strong performances of their own. Also contributing will be a good group of juniors including Chris Gallant, Chris O'Reilly, Keith Birney and Sean Baker. While the swimmers display their talents, senior Doug Doyle and junior Matt Gregory hope to be soaring above the competition on the diving board. Hopefully, when the season ends, the high expectations will be fulfilled. Good luck team.

Greg Tracey

Womens' Volleyball

Womens' Volleyball

The 1989 Womens Varsity Volleyball team, coached by Ja Olson, finished its season with ten wins and ten losses, making the first team in four years to not have a losing record. Althou their hopes for post-season tournament play were crushed h way through the season, the girls continued to work together defeat some tough competitors, including second ranked Nor Quincy, The team's success was a result of hard work, deter nation, and refusal to give up when the "going got tough Experienced seniors Carrie DiRamio (Capt), Karen Bernasco Kathleen Cassamejor, Jesiuna Nunes, April Conrad, and Nhan Chau, along with exceptionally talented juniors and sophomor Kim Buschenfeldt, AnnMarie Ferretti, Cynthia Cast, Kristen O'Co nell, and setter Jen Riordan contributed to the team's succes Although the team lacked school support and proper recogn tion, each member realized that the key to winning is teamwo and the desire to be the best.

Carrie DiRam

Mens' Volleyball

Mens' Volleyball

The Mens' Volleyball Team came off a very successful 1988-89 season, going undefeated in the regular season only to have an upsetting defeat in the State Finals. This highly skilled team was led by Aaron Gillory, a powerful hitter and massive leaper, and Jack Olson, who has compiled a three year coaching record of 58 and 6.

In the upcoming 1990 season, the team would like to continue their winning tradition by remaining undefeated Eastern Massachusetts League Champions. The team will be led by senior captain Phil Mussari and senior superstars Rich Mohammed, Erik Marchand, Greg Tracey, Greg Delplech and Gene Bernvil. They also expect strong play from junior Dat Linh. With the loss of one senior last year and the ever-growing talents of the State Volleyball League, the team will have a bumpy road ahead. However, they will have many talented players like Erik Marchand on defense and Rich Mohammed and Dat Linh on offense. The team has great expectations for the season of 1990!

For the future of Brockton Volleyball, the team hopes to carry out great coaching and team play for many seasons to come. Good luck Brockton!

The team would like to thank head coach Jack Olson and assistant coach Ernie Bronco for their time and dedication.

Phil Mussari

Womens Indoor Track

Womens' Indoor Track

This years Womens' Indoor Track team is filled with some strong competitors. Brockton's field events this year look very promising with State Champion Candi Shoemaker throwing shotput and Class A Champion Nicole Rodrigue in the high jump. Marlene Parish is another senior also throwing shotput. Brockton's runners are looking good with sprinters Margo Anderson and Jill Brass, hurdlers Nicole Rodrigue and Janine Dagesse, and Brockton's distance runners Nancy Reid and Erin Palm.

Lisa Shavitz

Mens Indoor Track

Mens' Indoor Track

The 1989-90 indoor track season should be a repeat performance of last year's league prominence. Coach Harry Allen's team will have many outstanding returning trackmen. The team also has a good balance of underclassmen.

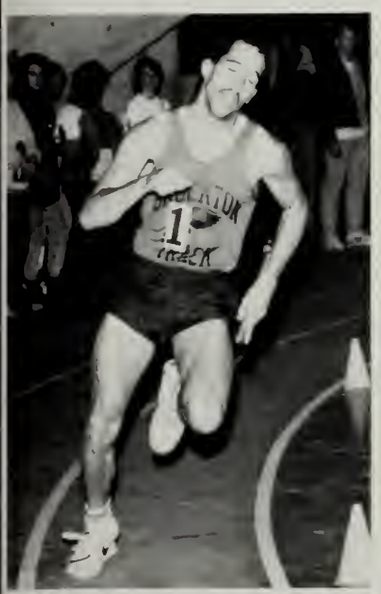

The shotput event will be led by seniors Anthony Lewis and John Bailey, a duo unlike any other in their event. The underclassmen will be paced by sophomore Mike Dombrosky.

The distance running event will be led by Joe Lemar, who came off a great outdoor season. Three year varsity runners Dave Dewitt and Helio Monterio are the favored juniors in their events.

Adam Williams, Anthony Comer and Chris Campbell combine for the sprinting events.

Hard work should pay off big for the Boxers as they again fight for an indoor track championship.

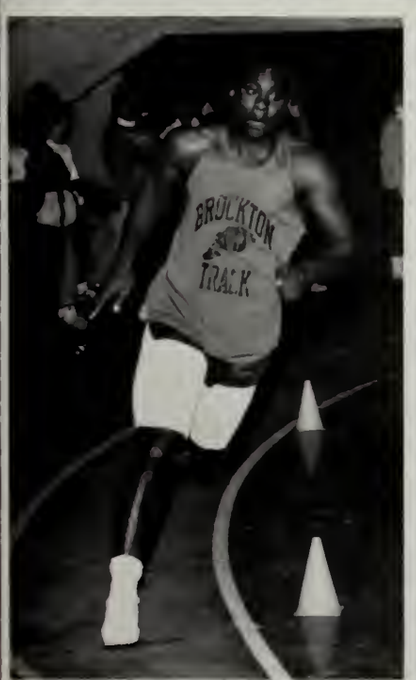

Tricia Solakoff

Gymnastics

The Womens' Varsity Gymnastics team, with second year Coach Mike Morrow, plans to start their 1989-90 season with great enthusiasm and determination. Captains Amy Haus and Stacy Osborne are returning for their final year of competition at Brockton High School.

This year's team should prove to be strong and tough to beat with Stacey Osborne and Amy Haus, both strong on the balance beam, Prudence Evans, a sophomore, noted for her grace on the floor exercise, and newcomers Danielle Hendriques, Crystal Olson, Leah Silverman, Amy Wells and Jenn McCormick.

The girls will try to retain their Suburban League title, while still maintaining their sportsmanship and putting forth over all best effort.

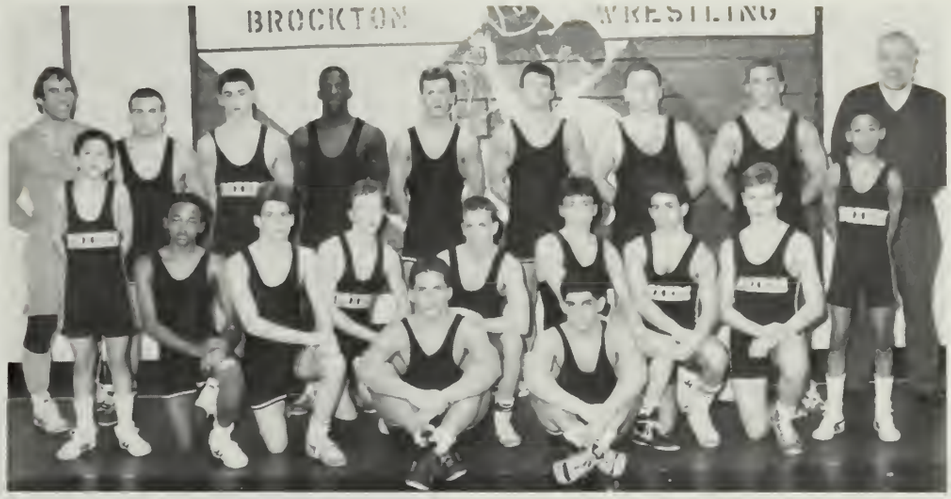

Amy Haus

Wrestling

Coach Jack Johnson and the wrestling team are looking forward to a very successful season.

There are twelve returning lettermen this year: captains Mike Bertarelli, Dave DiBona, and Jerry McCoy and seniors Derek Goodman, Pat Sansuran, Jeff Holman and juniors Scott MacIntosh, Tom Lattiner, Greg Lawless and sophomores Leo Mulvey, Tony Annese, and Rick Heath.

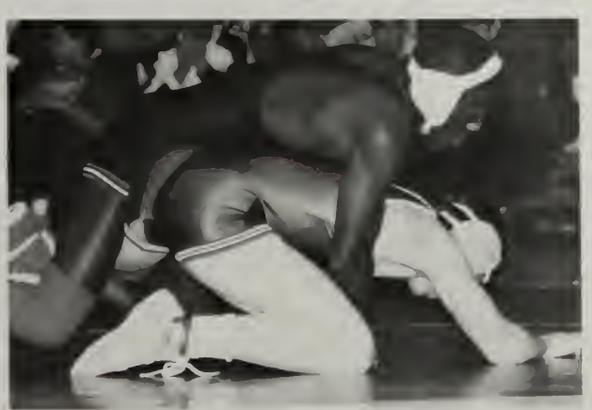

Last year, Dave DiBona, Jerry McCoy, and Derek Goodman were each place winners in the sectionals. The team took first place in the Suburban League second place in the sectionals and third place in the States.

This year's goals are to defend the Suburban League title, win the sectionals, place in the top three states, have two or three state champs, and, of course, be New England champs!

Julie Cataldo

Womens Outdoor Track

Womens' Out Door Track

The Womens Outdoor Track Team under coach Mr. O'Donnell had an overall successful year. Brockton's field eventers Candi Shoemaker, State Champion in the shot put and Nicole Rodrigue class A Champion of the high jump. Other seniors in the field events were, Sonya Aleman, Sonya Barrows, Marlene Parish, Brenda Sasso, Lisa Shaevitz, and Beth Steinberg. Brocktons strong runners included Nicole Rodrigue and Janine Dagesse in the hurdles, the sprinters Jill Brass and Margo Anderson, and the powerful distance running seniors Dawn Heath, Nancy Reid, and Erin Palm.

Lisa Shaevitz

Mens' Outdoor Track

Mens' Outdoor Track

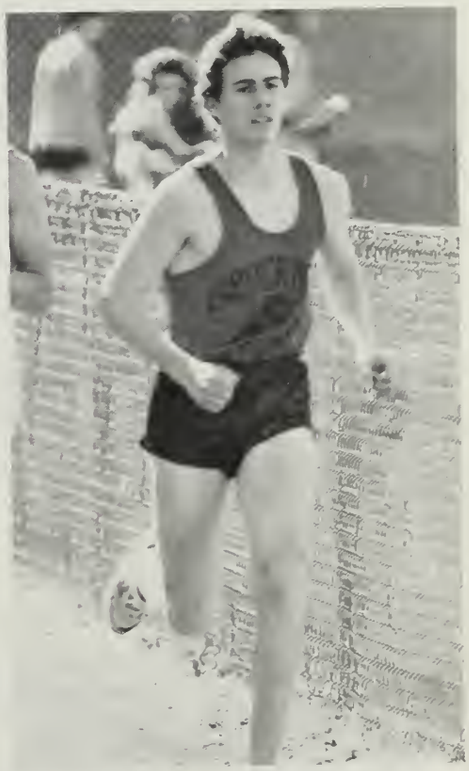

The Mens' Outdoor Track Team had an extremely successful 89'-90' season. The combined efforts in both the field and running events led to a decisive win over Cambridge High to become undefeated Suburban League Champions. The team did not stop there, however, as they went on to become the Massachusetts State Class A Champions. The team was led by the efforts of senior Joe Lemar, Anthony Lewis, John Bailey, Keith Parrot, Curtis Bostic, Lamonte Powell, Lester Dalmida, Tyrone Jackson, Allen McCottrel, Adam Wells, Paul DiRosario. Scott Smith, Brian Waldron, Scott Flaherty and Mike Budreski.

This years team is filled with hope, along with courage, commitment, character and class, which they hope will lead them to repeat as State Champions.

Brian P. Waldron

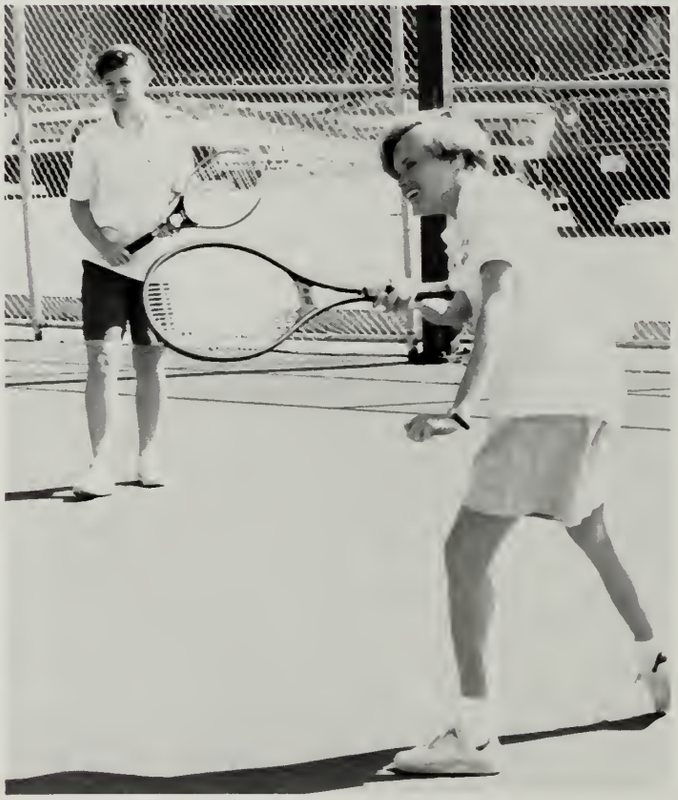

Womens' Tennis Team

Last years womens' tennis team finishec with a very successful year. Leading the team was senior Rachel Cruetz. This coming year the Boxers will have no seniors tc lead the way. However, this up and coming team should prove to be successful. Leading the team will be juniors Miss Burman and Beth Hall. Others expected to shine over their opponents are juniors Eileen Sullivan, Amy Hogan, and Michelle Dubois. Others playing for the Boxers are Jamie Siegal, Beth Hurigan and Kendra Shurtliff.

Leslie Yenush

Mens' Tennis Team

The 1989 Mens' Tennis Team had its best record in years. Winning seventy-five percent of their matches, the team went on to the State Tournament with the intimidating and demanding practices run by Coach Miele, the team was in great shape. Although the team did not have abundant talent, what it lacked, it made up in hard work and determination.

Leading the way for the Boxers at first singles was Adam Weene. Adam had a consistent season as he always remained patient on the baseline. Kenny Orloff played second singles for the Boxers. Kenny's well-rounded play and all-around optimism kept the team strong. At third singles was John Donaruma, who had a successful season as the team's captain.

The first doubles team consisted of Filipe Miguel and senior co-captain Joe Lessard. Filipe and Joe played well together as their outstanding net-game overpowered opponents. Brian Hailey and Dave Lundberg were strong at second doubles. Brian and Dave dominated their matches and always remained devoted.

Also working hard for the Boxers were Duc Uyen and Corry Norris who dedicated long hours on the court to improve their game.

A great season was had by all.

Adam Weene

Softball

WOMEN'S SOFTBALL

This year's softball team had an excellent season. Not only did they finish with an outstanding record of 16-4 but they also participated in the state tournament. Last year's co-captain Christine Gurskis led the team with her superb pitching ability. Returning this year will be the other co-captain and all-scholastic Julie Smalley. She will be the main stringth of the team with her all-around talent on the field and in the batter's box. Right behind her will be the power of Junior Michelle Doonan. This year's team should be as promising if not more successful than last year's team. On the mound will be returning seniors Christine Holborrow and Charlene Kigalon. April Conrad, and Jeanne Whitaker.

-LESLIE YENUSH

Baseball

Baseball

The 1990 Varsity Baseball team should have a fun and exciting year. With familiar faces returning at most of the positions, this Boxer team should carry on their winning tradition. The high flying Boxers are led by All-Scholastic catcher Stephen Marciano (.460 Avg) and All-Star shortstop Mike Lalli (.430 Avg). Power hitting Bob Zurinskas will be at third base, while standout slugger Peter Giannakoulis should fill the duties at first base. Bomb hitting Jim Butler will get the nod at second base and Andrew Murphy's unbelievable fielding should leave him a starting position in the outfield. Jason Connors, Billy Swart, John Dragonetti and Fred Connely will be pitching the team to victory. These young men, led by Coach Dave Fouracre, should bring this high school home a State Championship.

Peter Giannakoulis

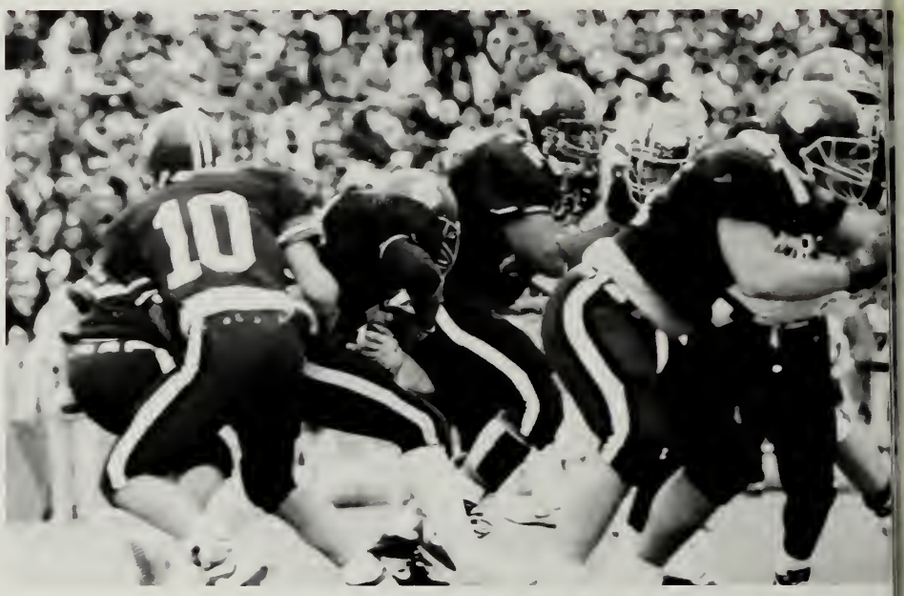

Superbowl 1990

The Brockton Boxers once again had an excellent season. Their outstanding performance was lead by Peter Giannakoulis, Stephen Marciano, Dave Grein, Anthony Lewis, James Butler, and Bob Zurinskas. Although the team was defeated, their efforts will never be forgotten. Other outstanding seniors are: Eric Droukas, John Bailey, Brian Kilsby, and Mike Berterelli. The hard work displayed by the team and the coaches to the division one superbowl was simply terrific.

The Junior Prom . . .

Prom King and Queen Greg Tracy and Brenda Sasso

The junior prom was indeed a night to remember!! Once again White's function hall opened it's doors to Brockton High's junior class. The limos arrived, and the night began. The couples danced and mingled till 12 o'clock.

Time flies when you're having fun!! The memories of the night live on forever. We remember the music, the dancing, the fun, even the prom king and queen!! Yes, a night to remember!!

-Tara M. Conway

"The Miser"

This year's Drama Club opened it's season with its traditional December production. The play chosen was Moliere's "The Miser". With an outstanding cast of seniors and juniors the play was a hit for it's four night run. As Eric Droukas playing the money hoarding "miser" the cast was sure the production would be a success. His children were Elise (Molly Franklin) and Cleante (Tony Stuart). Their loves were Valere (Adam Weene) and Mariane (Brenda Sasso). The lovers got together with the help of the match maker Frosine (Carrie Walker). The play was brought together by the acts of the zanies including La Merluche (Tina Calisto), Brindavoine (Kristen Blaquiere), Claude (Brendan Carr), Master Jacques (Joe Salemi), Mistress Jacques (Allison MacDonald), and La Fleshe (Eric Lane).

With an extensive and elegant set "The Miser" was the result of months of collective effort on the part of the entire Drama Club. It was truly a production to be proud of for the seniors who took part.

Tina Calisto

Plays From The Past

Another Night To Remember . . .

It was December 27, 1989, the Senior Semi Formal was held at Ridder Country Club in Whitman. Anticipation and excitement was in the air. Everyone gathered for a night of laughter, enjoyment, and fine cuisine. There could not have been a better way to ring in the new year. The D.J. played and the dance floor was crammed with jubilant teenagers trying their hand at the latest steps of the 80's. If agile you weren't their was plenty of reminiscing to do with friends as time went by before they knew it the clock struck twelve. The fabulous night was over and the 1990 seniors of Brockton High School started down the road of graduation lane.

CONGRATULATIONS TO THE CLASS OF "90"
CONGRESSMAN AND MRS. BRIAN DONNELLY

To the graduates of 1990,

For just one moment
Time almost stood still
and we were the Greatest Class

We stood united
in a mighty effort
When suddenly the last door
swung shut
Only the World was beyond.

Congratulations and Good Luck
The Yearbook Editors.

Reneé

Do not stand at my grave and weep,
I am not there, I do not sleep.
I am a thousand winds that blow,
I am the diamond glints on snow.
I am sunlight on ripened grain,
I am the gentle autumn rain.
When you awaken in the morning hush, I am the swift and uplifting rush of quiet birds in circled flights. I am the star that shines at night.
Do not stand at my grave and cry. I am not there,
I did not die.
